

What is the role of restitution? Views from the business sector

Mike Winfield
- CEO
Martin
and East

We cannot silence the voice of Julius Malema in his support of Robert Mugabe's Zimbabwe land reform and nationalisation programme until we can demonstrate a good and viable alternative model of restitution; a model of restitution that effectively addresses the appalling conditions of the majority in of our society. [\(Read more\)](#)

Dr Mamphela Ramphele -
Chair: Gold
Fields.

The underestimation of the importance of the re-establishment of human connectedness in post-apartheid South Africa led to the country missing the opportunity to ritualise the acknowledgement of the brokenness of our society as a foundation for starting a deeper healing process. [\(Read more\)](#)

Charles Robertson
CEO Visual
Internatio
nal.

I believe that biblical restitution is a part of this circumcision of the heart [\(Read more\)](#).
